The day is dedicated to overcoming obstacles and promoting equal access for women in science, technology, engineering, and mathematics (STEM) fields across the world. In honor of this important day, we're hosting a webinar to celebrate the successes of #WomenInScience, with a focus on immunology and infectious diseases. Join us to hear top scientists discuss their research and reflect on opportunities for women in science, with opening remarks from Italian Ambassador Mariangela Zappial : Thursday, February 10 : 12PM EST [link: https://us06web.zoom.us/webinar/register/WN_oINStk3yTX2EXA8e8_Z5qq]	[PLACEHOLDER for Kari graphic
